

# Baby Bottle Drive For Moms in Crisis

Saturday, October 7, -and Sunday, October 8, 2017

The Pro-Life / Pro-Family Committee of St. Rose of Lima Church is sponsoring a baby bottle drive for moms in crisis to support

## **The Sisters of Life**

You know them from their previous visits to our parish and from Catholic Fairfield. They are helping mothers in need in the Tristate area and serve over 1000 women a year. If pregnant and in need of help, call 1-877-777-1277. Their informative website is [www.sistersoflife.org](http://www.sistersoflife.org).

## **Birthright of Greater Danbury**

has served pregnant women since 1972. Many mothers and babies have been helped! Life is a precious gift that should be nurtured and protected. Our volunteers help a pregnant woman in crises find workable solutions so she can give birth to her baby and face the future with dignity and hope!

Checks should be made out to either Sisters of Life or Birthright of Greater Danbury. Thank you.

The Pro-Life Group of St. Rose will collect the baby bottles with your spare change on the weekend of NOV. 4 / 5.

**May the Lord give you blessings one hundred fold !**
